

Dear SSPD,

The FAPD would like to thank you for the grant issued in January 2022. This grant has enabled us to provide our annual meeting free of charge to dental students, I provided a lunch-and-learn for the Pedo Club at LECOM (a picture was sent to you following this presentation), and it has helped develop a relationship with the Pre-Dental clubs at UF, UCF, and USF as I have been in touch with these groups to volunteer for the 2023 AAPD meeting in Orlando.

The funds have taken a large burden off of our organization financially and allowed us to pursue relationships with these groups that we have not been in touch with prior.

Please let me know if there is any other information that you need from our group regarding the grant and update on its utilization.
